The Omni Orlando is a beautiful luxury resort oasis, sure to provide something for everyone! The Omni offers the best of Orlando—it is not located on Disney property so it is truly a refreshing get-a-way from the hustle and bustle of the world's largest playground. The Resort is a welcoming blend of elegance and comfort. Surrounded by 36 holes of incredible championship golf and 15 acres of recreational features, you will almost forget that you are just minutes from the Disney theme

parks! The Omni hosts 7 restaurants, lounges and eateries, and 24-hour room service. The full-service European spa offers

an endless range of services. Guests are sure to enjoy a retreat at the quiet pool and private cabanas. The kids will indulge themselves in the zero entry pool, water slide, dancing water fountains and 850-foot lazy river.

The GFIA has received rave reviews for offering our members a unique opportunity to always combine business with pleasure during the annual convention. For those who arrive early and include the theme parks in your plans, you are just minutes from all of the fun! To make the parks accessible to those interested, please note:
